

## ALL FOR ME GROG

### **Refrein:**

**All for me grog, me jolly, jolly grog.**

**All gone for beer and tobacco.**

**Spent all me tin on lassies drinking gin.**

**And across the western ocean we must wander.**

**1.**

Where are me boots, me noggin', noggin' boots.

All gone for beer and tobacco.

The soles are all worn out and the heels are kicked about.

And the toes are looking out for better weather.

### **Refrein:**

**2.**

Where is me shirt, me noggin', noggin' shirt.

All gone for beer and tobacco.

The colour is worn out and the front is kicked about.

And me tails are looking out for better weather.

### **Refrein:**

**3.**

Where are me pants, me noggin', noggin' pants.

All gone for beer and tobacco.

The legs are all worn out and the rear-end farted out.

And me knees are looking out for better weather.

### **Refrein:**

**4.**

Where is me bed, me noggin', noggin' bed.

All gone for beer and tobacco.

Lent it to a whore and now it's all a war.

And me springs are looking out for better weather.

### **Refrein: 2x**
