

GOODBYE, MY LOVER, GOODBYE

1.

The ship goes sailing down the bay.

Goodbye, my lover, goodbye.

We may not meet for many a day.

Goodbye, my lover, goodbye.

My heart will ever more be true.

Goodbye, my lover, goodbye.

Though now we sadly say adieu.

Goodbye, my lover, goodbye.

Refrein:

Bye, bye my baby (3x),

Goodbye, my lover, goodbye.

2.

I'll miss you on the stormy deep. Goodbye....

What can I do but ever weep. Goodbye....

My heart is broken with regret. Goodbye....

But never dream that I'll forget. Goodbye....

Refrein:

3.

Then cheer up till we meet again. Goodbye....

I'll try to bear my weary pain. Goodbye....

Though far I roam across the sea. Goodbye....

My ev'ry thought of you shall be. Goodbye....

Refrein: 2x
